- Financial Aid is available in the form of loans. Most students will apply for the Grad Plus, but if you have not borrowed the maximum Federal **Stafford** loans for 2016-2017 you should exhaust those funds first. Please email Janet cromerjb@wfu.edu to check your eligibility.
- If you previously borrowed the Grad Plus loan **send** an email at least four **weeks prior** to the start date of the program to cromerjb@wfu.edu with the program(s) you will attend and the amount of your loan request.
- If you previously have not borrowed a Grad Plus loan then you must go online with the lender at www.studentloans.gov to sign the Master Promissory Note for Graduate & Professional Students at least **four weeks prior** to the start date of the program(s). *Please email <mailto:cromerjb@wfu.edu> when this process is complete.*

Note 2: Loan amounts can be increased to cover the cost of the 4.276% origination fee charged by the lender.
